

AGM 2021 Friends' Report.

The last Season was a bit of a non-event as far as Waveney Friends are concerned so the committee decided to hold over their subscriptions to this new Season when we very much hope there will be some concerts to attend!

Letters were sent out in July to last Season's Friends, Patrons and Sponsors informing them of the current situation; we are grateful for the loyalty of all our supporters and special thanks to those who responded to the letter with extra donations. At present there are 31 Friends, 6 Patrons and 1 Corporate Sponsor.

We look forward to the next stage in the life of the Waveney Sinfonia family!
