Please note that these newsletters are not produced on a regular basis. The previous one was in April.

It was lovely to return to St Margaret's Church for our Spring concert. Despite waiting for a wedding party to depart the church so we could set up for our rehearsal, arrangements went swimmingly. I am also grateful to the students of Sir John Leman High School, Beccles who provided the interval refreshments. Money raised went towards their various projects.

The new ticketing system is working well and we thank our volunteers for operating the card facility. A donation option will be set up on our website shortly.

I look forward to welcoming you to the next rehearsal and concert weekends.

Michael Taylor, Chairman

Setting up for our concerts

Having to reschedule our dress rehearsal in May meant we were able to involve more people to help with setting up. This is an important part of the day and we would like to encourage this in the future. Setting up includes erecting staging, lighting and removing pews (and dismantling involves the opposite)! These jobs can be achieved quickly with more people. Please help in whatever way you can.

****Lighting** – From 2023, we need to find a location to store the lights and/or someone who is able to transport them to the concert venue or make arrangements to do so. Please give this your serious consideration and reply to the sender of this email.
