What a buzz we all felt following our January concert. I had a wealth of positive comments from audience members as they left. Jennifer Cochrane's interpretation of the Curtis' Divertimento Concertante for clarinet and orchestra was outstanding. The new ticketing system seemed to be working well and we are grateful to our volunteers for operating the card facility. We hope to set up an online ticketing and donation option through our website and this will be notified in due course.

It is also hoped to bring back refreshments during the interval but we are still very Covid aware and will be looking at safety for everyone if this goes ahead.

I look forward to welcoming you to the next rehearsal and concert weekends.
