We were honoured to have had Hannah Perowne with us at our January concert to play Elgar's violin concerto and how captivating it was too.

With our May 'All Age' concert looming I can promise a wide variety of music to suit all tastes, including highlights from Harry Potter, Carnival of the Animals, Britten's *Soirees Musicales* and an A Capella treat from the choir of Sir John Lemman High School. The concert will also have a 'green' theme and we hope to have representatives of the River Waveney Trust with us. Please encourage family and friends to come along on what promises to be an exciting and varied evening of music.

Michael Taylor, Chairman

The River Waveney Trust is an environmental charity dedicated to improving and protecting the river, its tributaries and catchment, making it a better place for the wildlife and the community living, working and visiting the Waveney Valley.

The issues are pollution, water quality, obstruction to fish migration by weirs, invasive plant species, lack of water, habitat loss and artificial channels.
