Happy Christmas

Reflecting on the Moon: We were delighted to welcome Anna Gammon-Ross narrating us through the nocturnal music at our October concert and of course our soloist Rebecca Newman. This provided quite a contrast to the second half's Eroica symphony. Our audience was very appreciative and provided some positive feedback as they left.

Our thanks go to staff and parents of the Trinity Playgroup who helped serve the interval refreshments - monies raised will go towards playgroup projects.

We are pleased to have received support from the Elgar Society to perform the Elgar Violin Concerto, a first for the Sinfonia, at our next concert in January. This performance will be particularly special for Adrian our conductor who founded the Elgar Sinfonia of London which is dedicated to playing the music of Elgar and other British composers. Further concert details are below but it promises to warm us all on a winter's evening.

At our May concert we hope to attract all family members and the committee is planning a programme of music to suit 'All Ages', including film music such as 'Harry Potter'.

I wish you all a very Happy Christmas and peaceful new year and look forward with excited anticipation to welcoming you to the next rehearsal and concert weekends.

Michael Taylor, Chairman

Ticket sales: We are still seeking volunteers to sell tickets on the door at our concerts. We have a card machine that works with a mobile phone (app can easily be downloaded). On the night training will be given. If you can help, please contact the sender of this email.

Thanks: We thank our Sponsors, Patrons and Friends for your continued support. Thanks also to everyone helping with publicity by distributing and displaying advertising material.
